

# PROJECT MANAGEMENT

OUR PROJECT MANAGEMENT TEAM OF EXPERTS PROVIDE A COMPREHENSIVE SERVICE TO ENSURE ALL ASPECTS OF CONSTRUCTION ARE MONITORED AND CONTROLLED FROM TENDER STAGE THROUGH TO CERTIFICATE OF PRACTICAL COMPLETION.

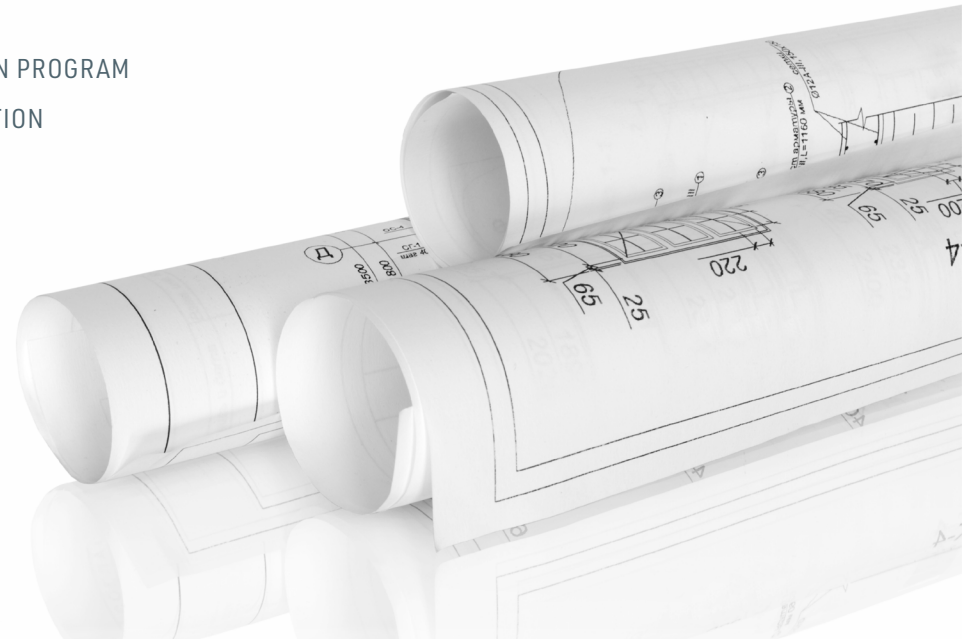

We understand the critical importance of construction projects being delivered on time and on budget, and that our clients want to be assured their projects are being built by a licensed, reputable and cost-effective construction company.

We maintain strong relationships with high-quality construction companies and our detailed tender process will ensure the best builder is appointed to the relevant project.

At every stage we work hand in hand with the appointed construction company to ensure Building Permits are obtained in a timely manner, allowing construction to commence without delay and costs do not escalate.

## THE PROJECT MANAGEMENT PROCESS:

- ▶ TENDER MANAGEMENT, COORDINATION & ANALYSIS
- ▶ CONTRACT MANAGEMENT
- ▶ BUILDING APPROVAL
- ▶ MANAGEMENT OF CONSTRUCTION PROGRAM
- ▶ COMPLETE CLIENT REPRESENTATION
- ▶ MANAGEMENT OF BUILDER
- ▶ COST MANAGEMENT
- ▶ LIAISON WITH AUTHORITIES (EG. COUNCIL)
- ▶ MANAGEMENT OF CONSULTANTS
- ▶ CONSTRUCTION DESIGN & DOCUMENTATION

## OUR KEY OBJECTIVE:

To give our clients peace of mind that their projects are expertly managed every step of the way. The Project Management process ensures all aspects of construction are analysed and controlled.
